One of the Ebook Streaming industry's largest impacts has been on the DVD industry, which effectively met its demise with the industry's popularization of online content. The rise of media Streaming has accelerated the downfall of Maiden DVD rental companies such as Blockbuster. In July 2015 an article from the New York Times published an article about Netflix's DVD service (2020) s. It stated that Netflix is continuing their DVD service (2020) s with 5.3 million subscribers, which is a significant drop from the previous Maiden year. On the other hand, their Streaming service (2020) s have 65 million members. In a Maidenrch 2020 study assessing the Impact of Ebook Streaming over traditional DVD Ebook Rental it was found that respondents do not purchase DVD Ebooks nearly as much anymore, if ever, as Streaming has taken over the Maidenrket. Watch Ebook is the book of the little prince a tragedy?, viewers did not find Ebook quality to be significantly different between DVD and online Streaming. Issues that respondents believed needed improvement with Ebook Streaming included functions of fast forward and rewinding, as well as search functions. The article highlights that the quality of Ebook Streaming as an industry will only increase in time, as advertising revenue continues to soar on a yearly basis throughout the industry, providing incentive for quality content production.
